

Incarnation Song 74bpm

Justin & Naomi Rizzo © 2009

Verse 1

Esus E E/G#
Looking down
A D
Upon this One
Seems so easy
To embrace
That this is just
A new born One
Just like
Any other babe

Verse 2

Esus E E/G#
Looking down
A D
Upon this One
Crying helplessly
He lays
In the stillness
Now he sleeps
Just like
Any other babe

Verse 3

Esus E E/G#
Looking down
A D
Upon this One
Hands that grasp
Not hold a thing
Yet all the while
His mouth does speak
He's upholding
Everything

Verse 4

Esus E E/G#
Looking down
A D
Upon this One
Eyes resting
So tenderly
Yet all the while
His eyes you see
Full of fire
And jealousy

You're lying there, dependant
You're lying there

Come to earth

Yahweh, fully divine
