## Verse 1

F#m C#m  
He is, preparing  
D E  
A wedding for the Son  
The King is, jealous  
To marry His fair one

## Verse 2

Life is, but a moment  
Here today, tomorrow fades  
Point of, existence  
Leading to a wedding day

## Pre-Chorus

A  
Down this road  
E/G#  
We journey now  
D E A  
Together we will love  
A  
The story told  
E/G#  
Now it unfolds  
D E A  
Forever we will be One

## Second Chorus (2x)

F#m  
It's for a Garden we weep  
C#m  
A paradise that we crave  
D  
Back in time  
A  
Now forward to another age  
  
A high mountain we seek  
The one above it is free  
Back in time  
Now forward to another age

## Chorus

A E D A  
This one thing we surely know  
We'll be changed and we'll be clothed  
This one thing we surely know  
We will reap all which was sown

## Bring down – still up an octave

This one thing we surely know  
Trials will come and trials will go  
This one thing we surely know  
Love gives all, it demands the soul

## Down an octave

This one thing we surely know  
Life is found in letting go  
This one thing we surely know  
Life is short, so here we go (hold out "go" on B note)
