Justin Rizzo © 2009

 G D
How far did we plummet
 C D
That day in history
 G D
In one moment forever
 C G
All men condemned to be
G D
Chained to the shadow
 C D
The distant memory
 Em D
Of God and his glory
 C G
All men now long to see

Chorus

 C
It's the longing for Eden
 G
Deep inside of me
It's the longing for Eden
Deep inside of me
