## **Verse**

Gmaj7

Indwelling Spirit

Cmaj7

I am not alone

Indwelling Spirit

I am not my own

## **Chorus**

G

Through fellowship

C

I long to see

The abundant riches

Of this mystery within me

You have not left me here alone

But what You've done, what You've done

Is given me the dignity to choose You,

The dignity to choose You

(2<sup>nd</sup> It's life or death, sowing to the Spirit or sowing to the flesh)

Your Spirit within me

Abundant Riches

Of glory within me

Strengthening me

Come and strengthen us in righteousness

Come and strengthen us with Christ within

Come transform me

Come conform me

Into

The image of You

Christ within, the hope of my glory

Christ within, the hope of my glory (beauty)

Christ within, the only hope of me being a bride made ready

Am I sowing to the Spirit or sowing to the flesh

I'm doing one of the other all the time
