

Verse 1

My soul longs for
The courts of the Lord
My heart cries out
For the courts of the Lord

Pre-Chorus

Blessed is the man, blessed is the man
Who dwells in Your house Lord
Blessed is the man, blessed is the man
Whose strength is in You
Blessed is the man, blessed is the man
Who dwells in Your house Lord
Blessed is the man, blessed is the man
On this pilgrimage

Chorus

One day is better
Than a thousand days elsewhere

Verse 2

Hear my prayer Lord
For I have desired
To be where You are
It's the cry of my heart

Bridge

This is but a picture, a mere glimpse
Of what I will be doing forever

I was made for communion
I was made, to dwelling the courts of the Lord
All the days of my life
Just like it was in the garden
So it will be again
And my soul, my soul longs for You
