Key – B | Tempo – 47 | Time 6/8

B **G#m**
You're praying for us, you're praying for us,
F#sus4 **E**
O Great Intercessor
B **G#m**
You're praying for us, you're praying for us
F#sus4
I'm not alone, I'm not alone, I'm not alone
E
So I'll consider it pure joy,
B **G#m**
even when I face trials of many kinds
F#sus4 **E**
For the testing of my faith develops perseverance
B **G#m**
And perseverance and love is needed
F#
to run this race
E
And I'm praying for you

B **G#m**
Though the thorn may never leave
F#
Your grace, it will increase
E **B**
Through our trials, through tribulations,
G#m
through persecutions
F# **E**
Through abandonment, you're praying for me
B **G#m** **F#sus4**

F# **E** **B**
Though I may walk through the valley
G#m **F#**
of the shadow of death
E **B**
Though I may walk through the wilderness
G#m
of forty years
F#
I know there's a process
E
you're bringing me through
B **G#m**
You'll always make a way in the wilderness
F# **E**
You'll always make streams in the desert
B
You'll always be my cloud by day,
G#m
my fire by night
F#
My water from the rock
E
You'll always provide
B
But there's a process in the wilderness
G#m
you're leading me through
F#
Though it's hard and though it's dark
and though it's painful
E **B**
I say, yes, cause you're with me
G#m **F#**
I say, yes, cause your glory's in the wilderness
E
And you're praying for me
B **G#m** **F#**
Oh, you pray for me, that my faith would not fail,
E **B**
That my faith would not fail, you pray for me
G#m **F#**

E **B**
 So I'll go 'round the mountain
G#m **F#**
 And I'll walk through the desert
E **B**
 And I'll go through the hard place,
G#m **F#**
 'cause you're praying, you're praying for me
E **B**
 So I'll go 'round the mountain
G#m **F#**
 And I'll walk through the valley
E **B**
 And I'll go through the hard place,
G#m **F#**
 'cause you're praying, you're praying for me

E **B**
 You pray that my faith
G#m **F#**
 would never fail

E **B**
 And this is joy, oh
E **B**
 Lord, you are my joy, oh
